### **ABC Group Receives the Prestigious FCA Suppliers Diversity Award of Excellence**

**Toronto, ON** – Thursday, September 17, 2015 – ABC Group Inc. is honoured to receive the 2015 Fiat Chrysler Automobiles (FCA) Supplier Diversity Award of Excellence at the 16th Annual Matchmaker event, FCA Technology Center, Auburn Hills, MI.

FCA's annual Matchmaker event has generated over \$2.1 billion of new opportunities for women owned, minority, and veteran businesses. FCA always has a strong commitment to minority businesses, helping to strengthen supplier diversity in North America. Recognition should be given to Vice President Tom Finelli, Director Sig Huber, Senior Manager Kevin Bell and their team.

“On behalf of ABC Group, I would like to applaud your continuing efforts and dedication in the arena of diversity and growth of minority owned businesses. I believe that being aligned in our commitment to stronger diversity helps build stronger businesses,” said Mary Anne Bueschkens, President of ABC Group Inc.

FCA's Matchmaker events create opportunities that have been extremely beneficial to ABC Group. ABC Group would like to recognize Michael Quail and his entire team for their continued focus and effort in broadening and strengthening the supplier diversity business model. He has enabled the company to meet and exceed FCA's Balanced Score Board Metrics.

#### **About ABC Group Inc.**

ABC Group Inc. is one of North America's top tier one automotive parts suppliers. An award winning international success story, ABC Group began in 1974 with a single manufacturing facility in Canada and has grown to become a global manufacturing enterprise. The company employs approximately 6,000 employees and has 36 manufacturing facilities in Canada (Ontario, Alberta, British Columbia), the United States (Michigan, Kentucky, Tennessee), Mexico, Brazil, Spain and Germany, and Japan.
